## Action Taken Report 2023-24 (Odd Semester)

IQAC has a framework in place for gathering input from all parties involved, including employers, instructors, alumni, and students. Getting feedback is meant to help us evaluate ourselves and improve. A thorough study is conducted using the data obtained, and IQAC takes the required actions to address the issues.

Action Taken Report: Feedback from students was gathered on a number of topics, including academics, the teaching quality, infrastructure, and other amenities. Here are some conclusions drawn from the feedback forms that were gathered.

Sr. No.	Students Suggestions	Action Taken Report
1.	Canteen Issue in college.	The convenor of the relevant committee was informed about the problem, and higher authorities were also consulted.
2.	A few classrooms' air conditioners aren't operating correctly.	The Infrastructure Committee convenor was instructed to take corrective action to address the AC issue.
3.	More than 2 books need to be issued from Library.	The convenor of the library committee was instructed to take corrective action in order to address the issue with the books.
