Subject - Field Visit Request to National Institute of Solar Energy, Faridabad on October 26th

Respected Sir,

This is to inform you that Department of Mathematics at DPG Degree College is requesting for your permission for a field visit to the National Institute of Solar Energy on October 26th, 2023. This visit is designed to provide our students with practical insights into mathematics and its applications in technology. We kindly request your approval for this educational trip, which will enhance our students' learning experiences.

Thank you for your consideration.

Regards

Pooja Goel

NOTICE

Department of mathematics is going to conduct a field visit to the National Institute of Solar Energy (NISE), Faridabad for UG(Hons) & PG Students on 26th Oct at 9:00am. This visit offers a unique opportunity to explore solar energy advancements and their mathematical applications.

Interested students can give their names to Dr. Ritu Malik, Ms. Ruma, faculty Mathematics Department latest by 24th Oct 2023.

We look forward to your active involvement

Ms. Pooja Goel

Subject: Authority letter for visit

Respected Sir,

This is to inform you that Ms Pooja Goel (Department of Mathematics), Dr Deepika Mithal (Department of Physics) and Dr Reena (Department of Chemistry) are hereby authorized to visit NISE, GURUGRAM on 26th OCTOBER 2023 at 9:00 am along with approx. 45 students.

Thanks and Regards

Ms Pooja Goel

Dr Deepika Mithal

Dr Reena

REPORT

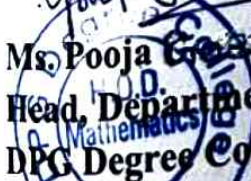

This report is presented on behalf of the Department of Mathematics, DPG Degree College, Gurugram as we conducted field visit at NISE, Faridabad. There were around 28 students and 2 faculty members. NISE, Faridabad is a renowned institution dedicated to research, development, and education in the field of solar energy.

Upon arriving at NISE, students and staff were warmly welcomed by the institute's staff, which provided an overview of the day's itinerary. The day promised to be an informative and engaging experience.

One of the highlights of the visit was the guided tour of NISE's solar power plant. They showcased a variety of solar panel installations, ranging from photovoltaic arrays to concentrated solar power systems. Students were able to know the different technologies in action and understand the practical aspects of solar power generation. Throughout the visit, NISE organized demonstrations where experts discussed various aspects of solar energy, including solar panel maintenance, grid integration, and energy storage solutions. They provided valuable insights and answered questions from the attendees.

Thanking You,
