Summary: Parle G Industrial Visit

A departmental visit was organised by the Department of Commerce, DPG Degree College Gurugram. It was scheduled on 12 March 2024 for M.Com. and B.Com Final Year students to Parle Products Pvt. Ltd., Bahadurgarh .

In this visit total 32 Students were accompanied with the following faculty of Commerce Department

Mr. Sanchit Joon (Assistant Professor)

Mr. Amit Sharma (Assistant Professor)

Ms. Sangeeta (Assistant Professor)

Ms. Nonika Arora (Assistant Professor)

Visit was organized with the following predetermined objectives.

- To impart knowledge about operational work in real industry
- Students get to know about the growing scope in the industry.
- To provide an opportunity for practical learning.

Students along with faculties at the premises of Parle-G

Students visited the Processing Plant, Packaging Plant of Biscuits and Wafers, where they got a chance to see the inside view of the factory, where right from the dough (the first input) to the last stage i.e., packaging and how each step is performed mechanically. The students were also taken to the printing department. In one minute, lakhs of products can be manufactured by an efficient machine. The environment inside was aesthetic, pure, and hygienic. The Parle G products are economically so affordable that they are marketed even in the remotest part of the country.

During the Processing and Packaging Plant visit, students made the following observations to understand the processing. The visit ended with a vote of thanks from both sides. Students were given packets of Parle wafers and delicious Candies.

Overall, the activity was highly interactive and a great learning experience for the students on the concepts related to production and operations within a manufacturing plant.
