## REPORT

### World Science Day

Date- 12.11.2024

*Date: 11<sup>th</sup> November 2024*

*Time: 12:30 PM onwards*

*Venue: Seminar Hall, Block-A*

Department of Chemistry celebrated “World Science Day for Peace and Development” on 11<sup>th</sup> November 2024 for all students of Sciences, DPG Degree College. The basic purpose of this day is to inspire students to new experiments, attract them to science, and make them aware of science and scientific achievements. Also spread a message about the importance of science used in the daily life of the people. The theme of this year (2024) is Peace and Development. There were three events Rangoli competition, Slogan Writing and Poster making based on different themes of Science. Students from various departments of sciences (UG & PG) participated in this event with enthusiasm. While addressing the program Mr. Deepak Gahlot (Vice-Chairman) motivated the students to move forward in the future and explained the importance of "science" in daily life. Principal Sir, Dr. S.S. Boken also addressed the gathering and motivate the students for their participation. Dean Academic Dr. Dharambir Singh talked about the new innovations made by science. Dr. Reena, HOD of Chemistry Department given vote of thanks to all the dignitaries, faculty members and students.

The event was conducted successfully and certificates were distributed to the winning participants.
